*Dear Beautiful Friends at A Place For Women,*

*On behalf of the Kamanawa Ohana, I would like to donate [REDACTED] in honor of my two precious baby girls that are in heaven to be with the Lord – Genesis and Faith. As a result of taking the “Forgiven and Set Free” Bible study (twice), I have come to know my Lord Jesus Christ in a more deeper and personal way than ever before.*

*I know that God loves me and forgives me. I am comforted in knowing that He is the one who heals. I know that my past does not dictate my future. I know that I am forgiven and set free! I AM FREE! God has touched my life and my heart in a mighty and tangible way.*

*I have learned that you do not have to live with guilt, shame, and anger. God wants more for each and every one of us because He loves us so much! Praise His Holy Name! God wants healing for every broken heart.*

*I am a witness to God’s great work. God has poured His blessings into my life and my family. It brings me great joy to be able to give back to an organization which fights for hurting men and women.*

*First and foremost, thank you for being vessels of God's kingdom and following His will to help and serve others. Thank you so much for providing me with the tools I needed to heal, the fellowship and support I needed during this journey, the love I needed to keep me going when times were tough, and the lifelong friendships I have made along the way. Thank you for providing your many services to those in need.*

*My prayer is that countless men and women come to know the Lord through your service to His people and that God gets the glory He so deserves! My prayer is that men and women are set free from the bondage of hurt and pain related to abortion. Do great things in His name!*

*I stand before you this day to say that I am a post-abortive woman and I have been set free! Amen!*

*All my love,*

*Stephanie Kamanaud*
