Featured Life Advocate Suzanne Buenaventura

'I would have despaired unless I had believed that I would see the goodness of the LORD in the land of the living. Wait for the LORD; be strong and let your heart take courage; yes, wait for the LORD.'
-Psalm 27:13, 14

This is the verse the Lord gave me in 1996 when our son David was severely disabled by

bacterial meningitis. We have experienced His goodness over and over again as my husband Robert and I have cared for him (now 17) and raised our two other children Lauren (20) and Daniel (15). I have been a Life Advocate with the Center since June 2010 when it opened its doors to the community. It's my desire to share with women God's words of life and hope in Christ for their unborn child and themselves.

Heartbeat Directors Conference Update

In August, I had the wonderful opportunity to attend the "Heartbeat Directors Training Conference" in Ohio. In four very full days of training we covered a lot of amazing principles and action tools for LIFE Affirming Centers.

One of the sessions was on "Health Assessment for Your Organization" to reveal our strengths and encourage us how far we have come, and our weaknesses, also to help us see what we need to improve upon. I humbly can say, we as a new center rated very high marks in our stage of development. I was pleasantly surprised.

Also, I gleaned knowledge from over 60 other new and experienced Directors from all over the country. From early morning into the late evening Heartbeat staff and other experienced Directors were made available to assist with our questions, increase our understanding, and strengthen our calling to a LIFE Ministry.

I went to this conference very weary but returned home refreshed and ignited. All this was made possible by your generous partnership with A Place for Women. Thank you from my heart, our volunteers, the babies and families we all impact.

Thankful for LIFE!

NEW HOPE LEEWARD

We presented LIFE awareness and healing at New Hope Leeward's Women's Conference, "Empowered by His Grace."

We ministered to women who were hurt by past abortions, interested in baby development, STD awareness, and counseling issues.

WONDERFULLY MADE CONFERENCE

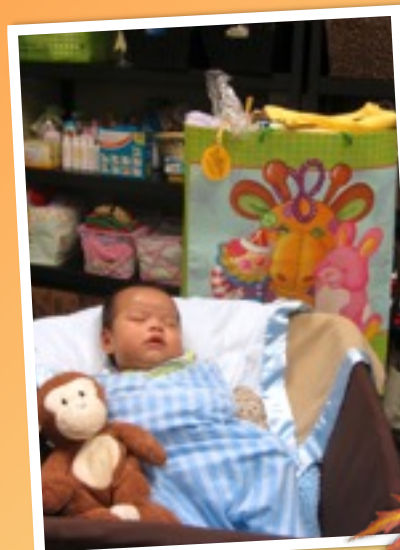

It was so much fun engaging with the youth at this young women's conference. We educated through LIFE games, LIFE raffle, and materials. Many girls went home with 12 week models of Baby Hope or 10 week old feet pins and liked us on Facebook. They left excited to promote LIFE with their friends and family.

We were also able to give tours of the center to share our mission.

I praise you, for I am fearfully and wonderfully made.
Wonderful are your works; my soul knows it very well.
Psalm 139:14

MEET BABY AIZEA

This is what Aizea's mommy had to say about A Place for Women in Waipio when she came in to select items from our Baby & Me Boutique.

"A PLACE FOR WOMEN SAVED MY BABY'S LIFE. THE WOMEN HERE WERE EXTREMELY SUPPORTIVE. GOD'S LOVE IS TRULY SHOWN HERE."
