WORDS FROM THE DIRECTOR...

Our center is now officially affiliated with Heartbeat International, an interdenominational Christian association of life affirming education and pregnancy help providers. Also, we are a member of the National Institute of Family & Life Advocates and The American Pregnancy Association which is assisting us in serving our community as a life affirming center with accountability.

"For by wise guidance you will wage war, and in abundance of counselors there is victory." Proverbs 24:6.

These organizations have become an inspiration to our center as we are utilizing their wisdom and experience to effectively operate.

We have some exciting new events coming up this year. We are in the planning stages of our first Pro-Life Fundraising Banquet themed "Life and Liberty" on November 9, 2012. Our keynote speaker is Jason Jones, the President and Founder of Whole Life America, a non-profit organization that promotes the dignity of the human person regardless of ability, age, status, race or geography. Jason Jones' unwavering belief and support for the sanctity of life was solidified through a personal event while serving as a 17 year old in the US Army. His account of this fight for justice has been drawing people across the country as he motivates them with his

moving and courageous story.

We are also praying and preparing to train men to facilitate Post Abortive - Recovery Bible Classes for men who deal with the bondage of guilt and grief that has followed their abortion experience.

"Blessed are the merciful, for they shall be shown mercy" - Matthew 5:7

Mercy is compassion that is driven to rescue and defend.

Thank you for Your Support.

Open your mouth for the speechless, In the cause of all who are appointed to die.

Open your mouth, judge righteously, And plead the cause of the poor and needy.

Proverbs 31: 8-9

From the Blessing Book

On Valentine's Day . . . The ultrasound machine played cupid's arrow and helped bring an abortion minded teen to fall in love with her baby and choose life. The baby was born on Mother's Day weekend.

MARCH FOR LIFE 2012

A Place for Women in Waipio participated in this year's March For Life event at the State Capitol.

We were able to interact with the community to educate some on the development of precious babies from conception to birth and discuss our abortion recovery classes. We handed out over 200 twelve week old baby models to encourage others to share with friends/family that a fetus is a baby and not just tissue.
